

Overall Structure:

Database: history_card_db

Table 1: faculty_list

faculty_id (PK) (Integer)	faculty_name (String)	faculty_department (String)

Table 2: student_list

Student_id (PK) (Integer)	student_register_no (Integer)	student_name (String)	student_department (String)	student_batch (Integer)	student_regulation (Integer)

Table 3: student_faculty_map:

map_id (PK) (Integer)	faculty_id (FK) (Integer)	Student_id (FK)(Integer)

Table 4: subject_details:

subject_id (PK) (Integer)	subject_regulation (Integer)	subject_department (String)	subject_semester (Integer)	subject_code (String)	subject_name (String)	subject_credits (Integer)

Common API format:

Success response example:

```
{  
  "success": true,  
  "message": "Student retrieved successfully",  
  "data": { ... }  
}
```

Error response example:

```
{  
  "success": false,  
  "message": "Student not found",  
  "data": null  
}
```

Module Structure

Module	Main contents
1. Personal Details	Student identity, contact details, parent/guardian information, address, department, programme, batch, section, semester.
2. Academic Details	semester-wise results, SGPA, CGPA, current/standing arrears, history of arrears.
3. Curricular Activities	Academic/technical activities, paper presentations, workshops, seminars, certifications, internships/projects as approved.
4. Extra-Curricular Activities	Sports, cultural, clubs, NSS/NCC, music, dance, literary, social service, other approved activities.
5. Medical Details	Medical records, date, report, document, signatures as required.
6. Disciplinary Action	Date, disciplinary report/action, supporting document/signature where required.

Responsibility Assignment:

Member	Role	Ownership
Mounesh M	Core System & Integration + All Module Overview	Authentication, authorization, Admin, faculty/student management, faculty–student assignment, common Student Profile, ERP external link, architecture, code review, final integration, deployment.
Sai Naveen	Academic Module	10th, 12th/Diploma, subjects, semester results, SGPA, CGPA, A/UA, standing arrears, history of arrears, academic APIs and UI.
Kavinkumar R	Personal Details	Student master/profile, personal/contact details, parent/guardian fields, address, profile UI and APIs.
Hareezvijey R J	Curricular Activities	Activity records, categories, event details, achievements, certificate upload, APIs and UI.
Dhanuja K S E	Extra-Curricular Activities	Sports, cultural, clubs, NSS/NCC, music, dance, literary, social service, certificates, APIs and UI.
Siva Sanjay Muthu	Medical + Disciplinary	Medical records, disciplinary actions, document/signature upload components, APIs, UI and validation.
